We confirm we have complied with the government's guidance on managing the risk of COVID-19

## • FIVE STEPS TO SAFER WORKING TOGETHER •

- We have carried out COVID-19 risk assessments and shared them with the people who visit and work here.
- We have cleaning, handwashing and hygiene procedures in line with guidance.
- We are following national guidance for the safe use of places of worship, multipurpose community facilities and out of school settings.
- We have taken all reasonable steps to maintain current social distancing requirements.
- Where people cannot socially distance, we have done everything practical to manage transmission risk.
